Champions: Whitchurch

We should like to thank '123ICT' for their very generous support of this season's tournament.

This is the fortieth consecutive season that the tournament has been held and today's finals feature past finalists of the tournament. Whitchurch, in 2009 and 2014, and Long Furlong (2012 and 2013) are both previous winners of the title whilst Blewbury have appeared in two finals, finishing as runners up on each occasion (1998 and 2000).

Finally we should all like to thank the referee, Mr. Duncan Francis, for giving so willingly of his time, King Alfred's Academy (Mr. Danny Taylor) and the two students (Harry Trinder and Scott Webb, who refereed all the preliminary games) for their co-operation in holding the preliminary games and the staff of the Wantage Leisure Centre for their assistance and co-operation.
